

Dear Parents,

- All Parents are requested to pick and drop their children inside the academy premises and if they drop outside, the academy is not responsible for any loss.
- This is to inform all the students that dress-code is compulsory and all the students are required to come in dress-code everyday. (You will get a T-shirt from the academy for just Rs. 500 and for the bottom part you will have to buy black jeans, trousers or leggings yourself)

Pay Attention :

Wearing skirts, shorts, frocks & any kind of transparent material are not permitted & Academy officials are not responsible for the loss of any book, money or valuable items like jewellery, watches etc. Do not bring any valuable articles to academy.

Humble Request To All The Parents :

- Please do not refuse to take a T-shirt, we are doing this for the safety of the students.
- Dress Code increases student achievement by encouraging students to focus more on activities and less on their wardrobe.
- Also, when students wear dress-codes, both older and younger students feel like they are the part of the same group.
- Therefore we request you to kindly encourage your child to come into a discipline.

(Students who have a T-shirt, please ignore this message)
